

#### Interpretation of this agreement, application of law, effective conditions and others

- This agreement will take effect immediately after you ticked "I have read and agreed all terms and conditions".
- The relevant content of this agreement shall also be changed; if the objective circumstances on which this agreement is concluded have a major change that renders this agreement unable to be implemented, the relevant content of this agreement may be changed or the performance of this agreement may be terminated after the parties have negotiated and agreed.
- For matters not stipulated in this agreement, the parties can sign a new agreement with additional terms.
- The annexes and various supplements, amendments or changes to this agreement are an integral part of this agreement and have the same legal effect as the body of this agreement.

#### Information protection and scope of application

- When you register an account or use an account on website, you provide personal registration information in accordance with the requirements of this website, including mobile number, email information, and ID information.
- The relevant transactions data collected by this website including transaction records.
- Other personal information about you obtained by this website through effective approaches.
- This website will not sell or lend your personal information to anyone else unless obtaining your permission in advance. This website also does not allow any third party to collect, edit, sell or disseminate your personal information by any means.
- This website keeps confidential for the customer identity information and transaction information obtained, and shall not provide customer identity information and transaction information to any unit or individual, except for the requirements of the relevant sovereign country or region laws and regulations, government decrees, orders, etc.

#### Restrictions and obligations

You may not use the services provided by ORI Community to conduct any illegal activities.

You may not use the services provided by ORI Community, including:

- (1) Support, instigate or participate in any terrorist activities;
- (2) Participate in any money laundering activities;
- (3) Fabricate or distort facts, spread rumors, social harassment;
- (4) Promote or produce pornographic, violent and/or terrorist content;
- (5) Participate in any other activities that violate applicable laws and regulations.

You agree to abide by all applicable laws and regulations, this agreement and all rules and regulations related to the use of the ORI Community website and the services provided by ORI Community announced by ORI Community from time to time policy.

You agree and promise that you are only using the services provided by ORI Community for your own benefit, and you have not used the services provided by ORI Community on behalf of others or for the benefit of other third parties.

You agree to contact ORI Community immediately when you discover or suspect any fraud or misconduct in the services provided by ORI Community by any third party.

You should not participate in any activities that may affect the services provided by ORI Community and/or the security of ORI Community's website.

You hereby promise and guarantee that your use of the services provided by ORI Community will not negatively affect ORI Community's reputation or cause ORI Community to bear legal liabilities or other penalties, fines and sanctions.

If the user violates the above provisions, ORI Community has the right to immediately suspend or terminate the provision of services to the user, and has the right to take all necessary legal measures within the scope permitted by applicable laws and regulations.

### **Risk notice**

You understand and recognize that: holding, trading, investing in cryptocurrency and using cryptocurrency-related services involve risks.

The use of any cryptocurrency or related products and services will bring potential financial, regulatory and other risks. Before using any cryptocurrency or related products and services, you should confirm that you have sufficient knowledge and experience of blockchain technology, cryptocurrency, and the functions and risks of smart contracts. Your decision to participate in any cryptocurrency activity and/or use of related services should be based on independent investigations and/or consultations from professionals you deem necessary. ORI Community assumes that when you use this service, you are a professional who understands the cryptocurrency industry and understands the risks of cryptocurrency-related products and services. This agreement and any services provided by ORI Community Neither should be regarded as ORI Community providing investment advice to you.

ORI Community will maintain or upgrade the system from time to time. You confirm that you do not expect the services provided by ORI Community to be continuous and uninterrupted. Unless otherwise expressly agreed by both parties, ORI Community shall not be liable for any and all losses caused by suspension and interruption caused by the maintenance and upgrade of its system. (Unless it is technically caused)

No identity verification, or computer security technology is 100% secure. You agree to bear all risks related to hacking or identity theft.

You understand and agree that ORI Community reserves the right to publish, modify and/or provide service-related information through websites, emails and other official channels. ORI Community is not responsible for the information obtained through unofficial channels of ORI Community. If you have any doubts or questions about the authenticity of the information sent in the name of ORI Community, please contact us immediately.

**Dissolution of the agreement, termination of the trigger treaty**

In the process of using platform services, we can unilaterally terminate this agreement if the following circumstances occur:

Fraudulently using the name of another person or embezzling another person's account to use platform services;

Use platform services for illegal purposes;

Engage in any behaviour that may infringe the platform system and data;

Violate any laws, regulations, or stipulations in this agreement;
